

IMPORTANT

Please remember to indicate on your scoresheet when you earn a patch in order to ensure you receive it in a merly fashion.

Patches will not be distributed to those who don't request them.

PATCH BACK PROGRAM:

Anyone wanting to turn in patches for apparel may do so. Patches must be in excellent condition. 15 patches earns a T-shirt and 25 patches earns a hat. Sizes and styles vary. League Operator will decide if the condition of the patches are acceptable

If you want to keep your patches and show off your achievements, here are a few ideas on what to do with them:

1. Use an extra-large safety pin to hang the patches from your cue case. This is a great way to showcase all the patches you earn from session to session. Extra-large safety pins can be purchased at any craft store!
2. Use the patches as pocket markers.
3. Attach your patches to your favorite jacket or shirt. Make sure to wear your jacket when you attend tournaments (local, regional, and national) to showcase your accomplishments!
4. Gommel patches are available as well. Ask us how you can get them. These patches can be hung from a chain and displayed on your cue case! What a great way to show off your weekly achievements!!!!!!
